

Application of Multi-omics on Probiotic, Prebiotic and Postbiotic Studies: Safety, Functionality and Precision Health

Poster Submission Guidelines

The Organizing Committee cordially invites participants involved in probiotic, prebiotic and postbiotic research to submit poster for poster presentation.

A poster presentation combines a visual display on a poster board of the highlights of research with a conversation opportunity. The poster will be available for viewing by participants during all hours of the conference. All participants are encouraged to visit the posters in the breaks and contact the main author during the conference when it is feasible.
