Dear Sir,

1. In response to the TQF Association letter No.105245 dated July 20<sup>th</sup> 2016, we hereby confirm that the TQF Product Certification Scheme, which is owned and maintained by the TQF Association, has succeeded the Food Good Manufacturing Practices (Food GMP) Certification Program, including its management system and subsequent revisions and amendments that were enforced by the Industrial Development Bureau (IDB) under the Ministry of Economic Affairs (MOEA), R.O.C., Taiwan.
2. In addition, the TQF Product Certification Scheme has been recognized and adopted by the Taiwan Accreditation Foundation (TAF), which is an officially recognized accreditation body and a member of the International Accreditation Forum (IAF), signatory to the Multilateral Recognition Arrangement (MLA), and is responsible for the accreditation and supervision of certification bodies for the TQF Product Certification Scheme.
3. In view of the fact that Food GMP Certification Program content was incorporated within the TQF Product Certification Scheme and launched in June of 2015, the Food GMP Certification Program was abolished by IDB Order No.10400860463, on September 23, 2015.
4. Finally, in this regard, we advise the TQF Association to promptly translate the TQF Product Certification Scheme into English in order to facilitate further clarification and communication between TQF members and their customers abroad as well as foreign government entities for exportation needs.
